

Lend A Hand

2016

Together we can do it! / Keeping our church facilities clean and bright.

Our tradition is that we all own our church and grounds. And we save thousands each year by taking turns cleaning our beautiful facilities, to the Glory of God. Each family is vital to making this happen! NEW THIS YEAR: because so many families opt out and pay for services, weekend volunteer families (option 1 below) will be reduced by one/week. 2 families/Saturday will be on the rotation throughout 2016. Of course, this means less weekends "taking turns" but greater responsibility to show up and clean, dust, vacuum, etc.

Please fill in a circle and return to the church office in February (WHEN THIS CALENDAR ENDS), or mail to Christ the King Lutheran, 100 W Michigan Ave, Palatine, IL, 60067. **Each new year** these options will be made available to you. This is a "TOGETHER" MINISTRY. All for One and One for All! Why so important? First Impressions count. Please wash the church/preschool glass doors with windex and squeegee and both water fountains weekly. No bathroom or garbage detail necessary (see below).
